Applications are available at the State Personnel Board offices, local offices of the Employment Development Department, the Department noted on the bulletin or on the Internet at <http://www.spb.ca.gov>.

If you meet the requirements stated on this bulletin, you may take the examination, which is competitive. Possession of the entrance requirements does not assure a place on the eligible list. Your performance in the examination described on this bulletin will be compared with the performance of others who take this test, and all candidates who pass will be ranked according to their scores.

The Department of Alcoholic Beverage Control (ABC) reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revisions will be in accordance with the civil service law and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, oral interviews are scheduled in the spot location of the examination; however, locations of interviews may be extended as conditions warrant.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, 6) open. When there are two lists of the same kind, the older must be used first. Eligible lists will expire from one to four years unless otherwise stated on this bulletin.

Promotional Examinations Only: Competition is limited to employees who have a permanent civil service appointment. Under certain circumstances, other employees may be allowed to compete under provisions of Rules 234, 235, and 235.2. State Personnel Board Rules 233, 234, 235, 235.2 and 237 contain provisions regarding civil service status and eligibility for promotional examinations. In addition, Government Code Sections 18990 and 18992 permit certain exempt employees employed by the Legislature or the Executive Branch to participate in civil service promotional exams. These codes and rules may be reviewed at departmental personnel offices or at the Information Counter of the State Personnel Board offices.

A medical examination may be required. In open exams investigation may be made of employment records and personal history – fingerprinting may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on this bulletin, the panel will consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the depth, breadth and recency of pertinent experience and evidence of the candidate’s ability to accept and fulfill increasing responsibilities than to the length of his/her experience. Evaluation of a candidate’s personal development will include consideration of his/her efforts towards self-development.
